

**deborah mccarthy studios**

Mafi natural wood floors...ecologically perfect, tailor-made for each client, based on nature, made in Austria....

**New product - COR Ash**

The mafi Ash floors are an exciting and high-quality alternative for all those who are a little tired of Oak.

Mafi: 100% natural for a biophilic design approach

Healthy - ecological natural wood floors

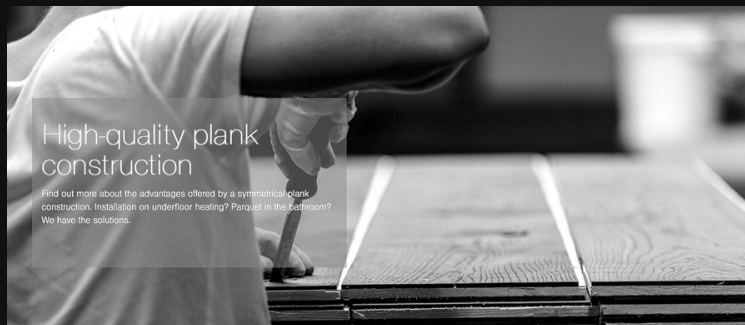

Stable - asymmetrical, 3 layer construction

Genuine - tested, certified and promoted by

MAS Certified Green | Declare - red list free | National Asthma Council of Australia

*"The more time people spend indoors, it is becoming apparent that the materials used are very important"*

Contact me to discuss why you should consider mafi for your next project.

**High-quality plank construction**

Find out more about the advantages offered by a symmetrical plank construction. Installation on underfloor heating? Parquet in the bathroom? We have the solutions.

**mafi**
